

**Join us to shape the IFAL's future: Workshop and AGM event**

# ***Theory of Change***

(Preceded by the IFAL AGM)

**Wednesday 27<sup>th</sup> September 2017**

Registration **13.00**

AGM **13.15 to 14.00**

Workshop **14.15 to 16.30**

Review **16.30 – 17.15**

**Indian YMCA 41 Fitzroy Square, London W1T 6AQ**

In this free CPD workshop, we will be introducing the process of Theory of Change. We will demonstrate its application by sharing IFAL's story and how we have applied it to plan and deliver the next exciting chapter of our development.

Theory of Change, is a powerful methodology used for planning, participation and evaluation of social change. It helps to identify the impact of an activity by defining the end point and asking what are the necessary steps for its successful delivery.

## **What will participants gain?**

By joining a community of Action Learning practitioners, you will:

- Be introduced to Theory of Change and how it can be used in Action Learning
- Have the opportunity to see it in action
- Explore experientially how it can be applied in your practice
- Be in an Action Learning set
- Have the possibility to join a post workshop group to further develop the ideas around Action Learning and Theory of Change

**We are exploring ways of making this AGM and future IFAL events accessible to members and supporters who are not able to attend in person. Please let us know if you are interested in participating in the AGM remotely.**

**THIS WORKSHOP IS FREE but places are limited to 25. To book, go to [www.ifal.org.uk](http://www.ifal.org.uk) or contact [admin@ifal.co.uk](mailto:admin@ifal.co.uk)**

The IFAL Annual General Meeting will precede the workshop. Participants (both IFAL members and non-members) are welcome to attend.
